

SPONSORBREV FRA GUTTER 2009-ÅRSKULLET

## Bryne FK G16- Bredde

Bryne FK sitt Gutter 16 bredde lag er et lag bestående av 52 gutter/spillere og 7 trenere. Vårt mål som trenere er å gi guttene et sunt og godt fritidsmiljø og prøver å etterstrebe klubbfilosofien «flest mulig, lengst mulig, best mulig».

I den forbindelse ønsker vi å gi guttene en gulrot, noe å jobbe frem mot og motivasjon til å fortsette med fotballen: Våren 2025 ønsker vi å ta med guttene på et treningsopphold i England. UK Sport & event som har tilholdssted i Liverpool vil sørge for at guttene får et fotballminne for livet! Se neste sider med oppsummering av turprogrammet.

Her vil det bli en herlig kombinasjon av teambuilding og sosiale aktiviteter, sammen med trening og kamper tilrettelagt av Uksport & Event. Dette vil koste en del, men vi tror investeringen vi gjør i guttene vil gi god avkastning på sikt.

**Nå inviterer vi deg/dere til å støtte oss som sponsor for å nå målet om å dra på treningsleir til Liverpool / Manchester området i april 2025.**

I tiden fremover mot våren og planlagt avreise, vil guttene også gjennomføre diverse dugnader for å få egenandelen så lav som mulig, gjerne også for din bedrift. Målet er å få med oss alle sammen på tur, derfor snur vi hver stein vi kan snu for å få inn midler til turen.

**Derfor henvender vi oss til næringslivet i og rundt Time Kommune og håper dere ser verdien i det arbeide vi gjør med guttene og har mulighet til å være med å hjelpe guttene på tur.**

Guttene kan gjerne jobbe for bidraget (maling, rydding, vasking alt av forefallende arbeid en 15 åring kan gjøre).

Håper din bedrift har mulighet til å bidra,

# Testimonials

Svein Roger Peterson – NTG Oslo

The trip was exactly the way we were promised it was going to be and we were more than satisfied with the trip. The sessions that were put in place for us were really beneficial to our boys

Magnus Pettersen – Fredrikstad FK

We have now had three visits to Liverpool with UKSE and we are now considering returning for the fourth time. Playing against English teams and receiving training sessions is a great experience for our boys

Klemet Gaski – Nordstrand IF

I cannot say enough positive words about the experience our club has had with Ian and Robbie from UKSE. We returned to Liverpool recently for the second time with a view that if it was similar to our first trip we would be satisfied but these guys altered the programme to give us different experiences and it was even better, I can only explain it as an experience of a lifetime
